# Permits

- Which Permits are needed?
- When are Permits needed?
- When do you need a SWPPP

# Permits

- Which?
  - It depends on:
    - The location
    - The work
- Examples
  - Cities/Counties
    - Grading
    - Building
    - Encroachment
    - Alternative Review (AG)
  - State
    - Schools
    - Coastal Zone

# Permits

- When
  - Always
  - Cities/Counties

# Permits

- When is a SWPPP required?
  - Disturb 1 acre or more
  - But... less than 1 acre if part of a larger development
  - Linear Projects – still one acre.
    - Includes: pipelines, electrical lines
- What do I do if I need a permit?
  - Obtain coverage under the General Permit Order 2009-0009-DWQ

# PERMITS

- File a NOI
- Develop a SWPPP
- Get your grading, building or encroachment Permit
